

## OPEN YOUR HEART and OPEN YOUR HOME

Do you want to make a difference to someone's life? Individuals with developmental disabilities face challenging housing issues. For more than 30 years, TCS has helped meet those needs by providing housing and personal support for individuals with a range of abilities. Our clients have a variety of needs, but most simply need a supportive and stable home where people will care about them.

We are currently seeking Home Share Providers in the following areas:

- Kamloops
- Lower Mainland including Abbotsford, Chilliwack, Delta, North Vancouver, Richmond, Surrey and Vancouver
- Northwest BC including Prince Rupert and Terrace
- Okanagan-Shuswap including Kelowna, Penticton, Salmon Arm and Vernon

TCS has a devoted team that will support and train you. We believe in matching individuals with you and your family. Not only will you enhance the life of an individual, but you will also enrich your own.

Remuneration is paid according to the needs of the individuals served, based on Community Living British Columbia (CLBC) assessments.
