

## Home Share Provider Vernon

Open your Heart, Open your Home

Do you want to make a difference to someone's life? Individuals with developmental disabilities face challenging housing issues. For more than 30 years, TCS has helped meet those needs by providing housing and personal support for individuals with a range of abilities. Our clients have a variety of needs, but most simply need a supportive and stable home where people will care about them.

We are currently seeking Home Share Providers in the Vernon area. Not only will you enhance the life of an individual, but you will also enrich your own. TCS has a devoted team that will support and train you. We believe in matching individuals with you and your family. Remuneration is provided according to the needs of the individuals served.

We are in immediate need for a Home Share Provider with experience working with individuals with a mental health diagnosis, as well as being comfortable providing harm reduction support is required. The support that you provide would be flexible and evolves to the individual's changing needs. No children can be living in the home.
