

## OPEN YOUR HEART and OPEN YOUR HOME

Do you want to make a difference to someone's life? Individuals with developmental disabilities face challenging housing issues. For more than 30 years, TCS has helped meet those needs by providing housing and personal support for individuals with a range of abilities. Our clients have a variety of needs, but most simply need a supportive and stable home where people will care about them.

We are currently seeking Home Share Providers in the Kamloops area with professional experience in navigate complex and challenging behaviours. The ideal caregiver(s) would be an individual or couple that can provide 1:1 support. This individual would prefer to have a female as the primary caregiver in the home.

Not only will you enhance the life of an individual, but you will also enrich your own. TCS has a devoted team that will support and train you. We believe in matching individuals with you and your family. Remuneration is provided according to the needs of the individuals served.
