

For more than 30 years, TCS has helped meet the needs of adults with diverse abilities by providing housing and personal support for individuals with a range of abilities.

TCS is looking for the right couple or family to live full-time in a cozy lakeside home 16 km outside of Kamloops and provide home share supports to a special individual who loves horses and all-season outdoor activities. Caregivers with a love of swimming and skiing would be ideal.

TCS has a devoted team that will support and train you in this role.

Remuneration is paid according to the needs of the individual and based on Community Living British Columbia (CLBC) assessments.

Please reach out to us at 1-844-828-1508 or reception@tcsinfo.ca if this sounds like something that you would be interested in exploring with us.
