REGISTERED NURSE –PRINCE GEORGE

Monday to Friday Regular Full-Time

We are seeking a skilled, experienced and dynamic Registered Nurse (RN) to assist in the monitoring of a residential program for individuals with developmental disabilities and complex health care needs. As the RN, you will be responsible for the provision of all aspects of care in the home as well as the training and leadership of Licensed Practical Nurses and Community Support Workers. You will participate in the planning process by developing, implementing and evaluating the effectiveness of individual care/service plans and making changes as required. You must have a sincere passion and commitment to providing quality services to our supported individuals.

You are a graduate from an approved school of nursing with current practicing registration with the BC College of Nurses and Midwives (BCCNP) and hold a valid Class 5 driver's license. Applicants who have demonstrated experience as a RN in a residential and/or community setting are preferred.

As an excellent interpersonal communicator, you are a team player that is able to build relationships with individuals, families, staff members, community professionals and government ministries and organizations. You must be able to maintain a flexible schedule as necessary.

We are a unionized agency and offer a competitive wage and benefits package. Please apply in writing with your cover letter and resume to:
